

Purchase List

South Schuylkill Stars

South Schuylkill Stars will manage large purchases if and when bulk orders will assist in avoiding large shipping costs for families.

This will require a payment and ordering deadline. Ample notice will be given for these orders. For smaller purchases, links will be provided to parents for easy ordering. Below are current costs and ranges for items, however, we will not place performance uniforms orders until we reach a closer window, so some items may be subject to change.

Fundamental Program - Special Announcement

Cheerleaders in the fundamental program will not require everything above and items needed will depend on the amount of performance involvement that your cheerleader wishes to attend.

For example, if not competing in the Halloween parade, the WARMUP purchase is unnecessary.

The performance uniform at our Showcase will be assigned to the black team tanks and black bottoms (black leggings or shorts).
